

# STAND BUILDER (m/w/x)

Fulltime

## YOUR JOB

As a freelance stand builder (m/f/x), you support the project team in the assembly and disassembly of the exhibition stands. Besides, you are responsible for electrical, graphic, wallpapering, painting, foiling, flooring, and laminating work, following the design specifications or technical drawings of our designers. During busy project periods, you are partially involved in warehouse logistics. You are also responsible for:

- Loading and unloading of vehicles taking load securing into account
- Delivery of goods and occasional courier trips within Europe, including assembly and disassembly at the event or customer location for installations.
- Project-related (multi-day) business trips also on weekends

## YOUR PROFILE

You can work with all kinds of materials such as wood, plastic, or metal? We need you when you are skillful and have the following job characteristics:

- Successfully completed training as a carpenter, locksmith, electrician or painter.
- At least 3 years of professional experience in the field of exhibition stand construction, or in a similar industry. Lateral entrants are welcomed if you are an excellent all-round craftsman (m/f/x).
- Ability to work in a team, creativity and flexibility, including a very structured, independent and responsible way of working, as well as a pronounced awareness of quality and the willingness to take responsibility
- Good German and English in spoken and written form, other foreign languages are an advantage
- Driving license class B / driving license class C

## WE OFFER

- An exciting and varied field of work with a lot of personal responsibility and development opportunities
- A young and committed team with flat hierarchies, short decision-making, and transparent communication

If you are not afraid to work hard with us on the realization of unique projects, please send your CV, your daily rate and some references via email to: [info@messos.com](mailto:info@messos.com)
